### **Trustees**

The trustees have finished the Youth room, except for some small trim items and thresholds. We may do some additional painting. The parsonage received new vinyl flooring in the kitchen, dining room and bathroom. They are projecting that there will be some big projects to complete in the near future. The original church is sided with aluminum siding and it is beginning to peel. They will need to reside it soon. The basement carpeting also needs replaced. It is over 12 years old and is showing stains and signs of wear. To begin collecting funds for this, the trustees noted to again hold their annual mother's day flower sale.

## Message from the Pastor

Easter is right around the corner! I always begin reflecting on how holidays were celebrated when I was younger, and compare them to the way they are celebrated today. I remember as a child that everyone wore fancy clothes on that day. It was the only Sunday that all the kids had new shoes and pretty hats. Some of the girls even wore white gloves. Several of the moms and dads had a flower on their suits or dresses. An excitement was in the atmosphere! We knew an Easter egg hunt for all the children would begin after the service. There would be lots of beautifully colored hard boiled eggs, jelly beans inside plastic eggs, hard candy coated marshmallow eggs, and a very special large chocolate covered candy egg. At home I had a wonderful Easter basket filled with lots of candy and other goodies waiting for me too. It marked the coming of spring. Pastel colors were everywhere. Flowers were blooming and the air was much warmer than a few

weeks ago. It was such a happy time.

Now that I'm older, and I know Easter Sunday in a much different way, I realize now, Easter is about death, burial, and resurrection. Jesus the Son of God was born so that one day He would die. He chose to become the sacrifice for your sins and mine. His love is so amazing. By faith we simply believe in the great price that was paid for us. We sinned; Jesus died on a cross to pay for our sins, and on the third day rose from the grave. He is seated at the right hand of God making intercession for us.

He paid the highest price! He gave His life!! He suffered so that we can live forever with God. If we believe on the Lord Jesus Christ, we are saved. There is no condemnation for the things we have done. And with each mistake we now make, forgiveness is still ours to receive.

The tomb where Jesus was buried was left empty! Only the grave clothes were left behind. Because of His great love for us, and the power of God living in us, we too will one day be caught up with Him in the air. *"After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever"* (1 Thessalonians 4: 17). Jesus is coming again for those of us who have asked Him to forgive us our sins. We are waiting for that day when the heavens will open and we will meet Him in the skies.

So you see, Easter isn't at all about Easter baskets full of candy, pretty clothes, or spring flowers. It's about an empty tomb. Christ is Risen, Christ is Risen Indeed!!  
in His grip, *Larry*
